

A close-up photograph of a woman with long, wavy blonde hair. She is covering her face with both hands, palms facing forward. Her fingernails are painted a light purple color. She is wearing a silver ring on the ring finger of her right hand and a thin, textured band on the ring finger of her left hand. She is wearing a white button-down shirt with the sleeves rolled up. The background is a plain, light-colored wall with some faint purple paint splatters in the upper left corner.

Actually:

It's not very seamless,
and it's rather odd.

Caveats

- ✦ Have not had much time with it
- ✦ There's probably a better way to use it than I am
- ✦ Does not fit the way I've been thinking of Rails + React for the past year or so
