

A blue-tinted photograph of a suspension bridge at night, with a city skyline visible in the background. The bridge's cables and lights are prominent, and the city lights reflect on the water below.

The promise:
Linking Rails backend with
Modern JS frontend
seamlessly

A close-up photograph of a woman with long, wavy blonde hair. She is covering her face with both hands, palms facing forward. Her fingernails are painted a light purple color. She is wearing a white button-down shirt with the sleeves rolled up. On her left hand, she has a silver ring with a heart-shaped design on the ring finger and a thin silver band on the middle finger. On her right hand, she has a thin silver band on the ring finger. The background is a plain, light-colored wall with some faint purple paint splatters in the upper left corner.

Actually:

It's not very seamless,
and it's rather odd.
