

The promise:  
Linking Rails backend with  
Modern JS frontend  
seamlessly

A close-up photograph of a woman with long, wavy blonde hair. She is wearing a white button-down shirt. Her hands, with light purple nail polish, are pressed against her face, completely obscuring her eyes and nose. She is wearing a silver ring on her left ring finger and a thin gold band on her right ring finger. The background is a plain, light-colored wall with some faint purple paint splatters in the upper left corner.

Actually:

It's not very seamless,  
and it's rather odd.
